

## WHO WE ARE

Smile for a Lifetime Foundation is a charitable non-profit organization that provides orthodontic care to individuals who may not have the opportunity to acquire assistance.

Smile for a Lifetime Foundation aims to reach individuals with financial challenges, special situations and orthodontic needs.

The Foundation sponsors the orthodontic care of hundreds of patients each year.

Smile for a Lifetime Foundation has participating orthodontists throughout the U.S.

Each chapter has it's own local Board of Directors who choose patients treated by the Foundation.

## WHO QUALIFIES

To become a candidate, interested patients must complete or have completed for them, a Smile for a Lifetime Foundation application that is available at their regional Foundation's website or [www.germanburke-ortho.com](http://www.germanburke-ortho.com) Click on Smille for a Lifetime Logo or call (937) 320-3685.

## OUR MISSION

At Smile for a Lifetime Foundation it is our mission to create self confidence, inspire hope, and change the lives of children in our community in a dramatic way. The gift of a smile can do all this for a deserving, underserved individual who, in turn, can use this gift to better themselves and our community.

## THE DOCTORS

Daniel S. German, D.D.S.

Dan German has been serving the Dayton community since 1987. He completed his under-graduate and Dental school education at Case Western Reserve University followed by Orthodontic residency at the University of Louisville. Dr. German has been the keynote speaker, teaching the practice of innovative orthodontic therapy at many Orthodontic Association meetings nationwide. He was appointed to the faculty in the college of Dentistry as a Clinical Assistant Professor in the divison of Orthodontics at The Ohio State University on June 1, 2009.

Stephen P. Burke, D.D.S.

Born and raised in the Dayton area, Stephen graduated from Carroll High School in 1984. He received his BS degree, magna cum laude, from the University of Dayton as a member of the Honors Program. Four years later he earned his DDS with summa cum laude honors from The Ohio State University College of Dentistry. In 1994, he received his MS and specialty certificate from the University of Louisville.
